Getting to know RStudio

Tyler Reed

This is a header

Text goes here in the white part.

This is another header

Below is a code chunk! Code goes in here:

```r
x <- 6
favorite_movie <- "Star Wars"
v <- c(2, 4, 6)

v*3
```

```
## [1]  6 12 18
```

This Next Chunk is about my family

```r
myFamily <- c("Tyler", "Mary Ann", "Sam", "Autumn")

myFamily
```

```
## [1] "Tyler"    "Mary Ann" "Sam"      "Autumn"
```

####: The code block above should ouptut a list of my family names.
